**SPECIAL EVENT at THE GREEN ARCADE :**

**Amin Ghaziani talks about his new book:**

## ***There Goes the Gayborhood?***

*In There Goes the Gayborhood?*, sociologist Amin Ghaziani shows why the rumors of the demise of gay neighborhoods like Boystown, Chelsea, the Castro District, and Dupont Circle are premature.

**Amin Ghaziani is an associate professor of sociology at the University of British Columbia. His areas of study include sexualities, culture, urban life, and social movements.**
